Mr Bill Leuschner  
63 Park Row  
New York N.Y.

Dear Bill:

I had planned to write you long before this but I haven't gotten my training schedule worked out yet.

As things stand now it looks pretty certain The Eagles and Cubans will be idle after the opening May 7th for that next week. It is too early for night ball around this way, but if you want me to try some twilight games in the neighborhood, or within reasonable distance, I will do it. You know we will have to use cars or trains to travel around this way.

I still think Patterson should be a good spot. Maybe you can do something with it. I would like to see you try.

Saturday June 20th is the only day I can go to East Orange.

I am trying to arrange a trip west with The Cubans June 8th to 15th. As soon as this is arranged I will give you all my other dates. It depends on this trip when I will try to go south. I have decided very definitely, we must keep booked as solidly as we can. We have a terrible payroll. Wells signed his contract. I do hope he will be an attraction. I will look to hear from you.

Very Truly Yours
